Based on the number of endorsements they've received, I'd say their well known at least in their region. I'm not sure if the same can be said forumside, but I have seen them in a number of F7 threads.

Not well known.

If one more person says that I'm not known at all, even though I made this thread and several other successful and/or semi-successful threads, I'm going to nuke someone's house.

Well, I'll say that I've definitely seen you around a lot more lately. I understand the "taking a break" thing.

By the way, Procrast isn't one of my alts, just I find the concept of their nation very amusing, and it keeps getting better. However, regarding anogbwg gbwpfg, fqeide ox fgr xbrpsg vqfmwt.

They are a new nation around F7, so not exactly very well known, but they seem to be quite active, so I guess it will not take them long to make a name for themselves here.

They're newer than my baby-face of a nation here, and yet they've racked up a very admirable and impressive 400+ Forum 7 posts with for being less than a month old is very admirable. So they're either a new user who REALLY loves their new home, or a NS veteran nation who has either rejoined the site after years of inactivity or are a puppet/alt of a more experienced nation. Regardless, they've become at least somewhat known in the short time they've been here in this nation.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Very well known, both to me personally and probably most of F7. They've been a bit less active recently but they're a friendly person to have a conversation with, and I also reciprocate their friendship.

For someone who has existed for at least 4 months, they have WAY less posts then they could have by now if they weren't a normal person and did as we do by spending all day posting on F7 like a schizo freak.

So because of their normalcy, they're really barely known.
