This nation is essentially my own modified version of the Goa'uld from Stargate. This nation currently represents the Goa'uld at their height under the reign of Ra. Don't know what the Goa'uld are? Just look them up. Sorry I don't have a complete factbook just yet.

7/10 could just be an ancient Egyptian style flag but the colors and symbolism give off a sinister cult vibe.

0/10 - gives the impression of mocking nations for buying into the super serious ideas of a flag. Or maybe suggests a really creative/high populace that totally reimagined what a flag should be.

Or 10/10 for being super warped. Nowhere in-between.
