Over a period of 3 years, Man #98340 slowly succumbs to chav culture, eventually fully transforming himself to a true chav.

One day, #98340's friend, Man #97562, comes over to ask if a loc can come up in his cot.

Question, what makes you think I am a summie?

(If I am at fault, I will definitely work better on my future posts)

As far as I know, threads like this one aren't exactly supposed to be high-effort, given this is F7?

Yes, I am aware.

Although my argument for this thread is that at least each post in this thread need to have some sort of continuity between them, as opposed to another event abruptly happening in the next post.

With that said, /stillme lifted.
