Agnosticism

Peter Kropotkin wrote, "We accustom ourselves and our children to hypocrisy, to the practice of a double-faced morality. And since the brain is ill at ease among lies, we cheat ourselves with sophistry. Hypocrisy and sophistry become the second nature of the civilized man. But a society cannot live thus; it must return to truth or cease to exist." ***The Conquest of Bread (1892)***

Officially a secular state

No one saves us but ourselves. No one can and no one may. We ourselves must walk the path.

Officially no religion, but probably a large part of the population would be Buddhist, Confucian, and other "Asian" religions.
