"Weird Al" Yankovic - Word Crimes
From *Mandatory Fun* (2014)

*I hate these word crimes
Like I could care less
That means you do care
At least a little
Don't be a moron
You'd better slow down
And use the right pronoun
Show the world you're no clown
Everybody wise up*

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Maroon 5 - Daylight
From *Overexposed* (2012)

*Here I am staring at your perfection
In my arms, so beautiful
The sky is getting bright, the stars are burning out
Somebody slow it down*

*This is way too hard, cause I know
When the sun comes up, I will leave
This is my last glance that will soon be memory*

*And when the daylight comes I'll have to go
But tonight I'm gonna hold you so close
Cause in the daylight we'll be on our own
But tonight I need to hold you so close*

U2 - Van Diemen's Land
From *Rattle and Hum* (1988)

*Hold me now, oh hold me now
'Til this hour has gone around
And I'm gone on the rising tide
For to face Van Diemen's land*

*It's a bitter pill I swallow here
To be rent from one so dear
We fought for justice and not for gain
But the magistrate sent me away*

Run-D.M.C. vs. Jason Nevins - *It's Like That (Jason's Battle Blaster)*

“ **CVT Temp wrote:**

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Billy Joel - She's Always a Woman
From *The Stranger* (1977)

*She is frequently kind
And she's suddenly cruel
She can do as she pleases
She's nobody's fool
But she can't be convicted
She's earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me*

Billy Joel - The Longest Time
From *An Innocent Man* (1983)

*Woah, oh, oh
For the longest time
Woah, oh, oh
For the longest
I'm that voice you're hearing in the hall
And the greatest miracle of all
Is how I need you
And how you needed me too
That hasn't happened for the longest time*

Johnny Cash - Engine One-Forty-Three

From *The Unbroken Circle: The Musical Heritage of the Carter Family* (2004)

*The doctor said to Georgie my darling son be still
Your life may yet be saved if it is God's blessed will
Oh no said George that will not do I want to die so free
I want to die for the engine I love one hundred and forty three*

*The doctor said to Georgie your life cannot be saved
Murdered upon a railroad and laid in a lonesome grave
His face was covered up with blood his eyes you could not see
And the very last words that Georgie said was nearer my God to thee*

The Clash - Should I Stay or Should I Go
From *Combat Rock* (1982)

*Should I stay or should I go now?
Should I stay or should I go now?
If I go there will be trouble
An' if I stay it will be double
So come on and let me know*

*This indecision's buggin' me (Indecisión me molesta)
If you don't want me, set me free (Si no me quieres, librame)
Exactly whom I'm supposed to be (Dime! ¿Qué tengo ser?)
Don't you know which clothes even fit me? (¿Sabes que ropa me quedar?)
Come on and let me know (Pero tienes que decir)
Should I cool it or should I blow? (¿Me debo ir o quedarme?)*

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).
