CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Been addicted to it since I first listened during Christmas.

"The hypocrisy of the pot calling the kettle black does not change the fact that the kettle is black."

My IRL politics are simple: anti-Chinese Communist Party. If a view is anti-CCP, no matter how bad it is, that's my view.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
