A waifu is the purest form of flag... I think that's how the saying goes.

Meanwhile, in a prison of waifus

And I am **EAGER** to make them remember

However, the blood of the anti anime army, stains your hands

And I must admit.

I am curious about your skills, Sarvente.

And so before I tear down the counties and **CRUSH** the wereboo armies

You shall do as an appetizer

Come forth child of Waifus

I'd rather live in the robot rights one than the socialist commie one and then become a trafficker of robots because I still believe they don't have rights and that anything I do to them is absolutely fine so I'd traffic these robots and make a hella amount of money from them and if the Feds give me trouble then I solve it with Money or Explosions.

What a mouthful.
