IC name does not include Gaia in it, it's just 'United Nations', NS stats are not canon and are not used.

I'm not rating the default flag, sorry.

For AAN, 10/10. Where are the continents? I can only assume that it's your fault.

In reality, 2/10 due to similarity to UN flag, and the UN isn't exactly evil.

Only reason it's not lower is I don't actually see any unicorns

Arms Dealing, Blockade Running, Black Market Procurement, Mercenary Contracting. We get you what you want, where you want it, for a price. We also chose to not sign anti-piracy laws for a reason, it'd be a shame if your cargo went missing.
