Ostensibly a federal presidential republic, in practice a single-party totalitarian dictatorship.

Highly devolved Christian theocracy. Maybe a network of semi-autonomous parishes with land ownership.

A relatively small, independent kratocracy encompassing the Crimean peninsula.

Famous for its might-makes-right approach to everything, callous stance on organized religion, vampire pseudonobility and viking-esque naval raids.

Chaotic neutral? Chaotic neutral.

Current year is around 800 AD.

NS stats most certainly aren't used.
