Must...stay awake...to go to sleep at a reasonable time for the first time in like 4 freaking days...Ugh the last week has been an annoying sleepy time. Finally sleep decent yet I still feel freaking exhausted after only being up like 10 hours.

St. Vincent-Jesus Saves, I Spend

I think being sleepy and having no music playing was a bad mixture. Popped on music and instantly felt more awake.

It's kinda interesting how the view ratio for different types of threads is. This thread, for like every one post, you get about 3 views. The "What Movie Are You Watching?" one gets about 13 views for every 1 post. It really does depend the type of thread apparently, which makes sense.
