Playing loud music over the national anthem.

Nothing, unless it is done during public events or during national mourning, in which a fine of 300 Loria will be issued. (It's about 600 USD)

Mercy killing, even when justified.

Not a crime. Although it must require the patient's consent. For pets, it must be approved by the vet and the owner.

Owning heavy weapons like machineguns?

Euthanasia is legal in Pirusavia, but only with the consent of the patient, or the family if the patient is in a vegetative state. Doctors and medical staffs are prohibited to exercise euthanasia with their own judgement.

AN: While firearms are partially legal in Pirusavia, machine guns are not allowed to be owned by civilians. Owning one would land someone in jail for 5 years minimum, while distributors would face up

to 21 years of jailtime.

Voyeurism, in general.

It depends on what exactly you're selling. Contraband is a VERY broad category.

From something as mild as some Plant that isn't native to Andronya or an Exotic Animal to something as bad as Drugs, Guns, Harvested organs, etc. Each has different penalties.

Drinking alcohol in public.

The fact the previous Prime Minister was racist is not really affecting the outcome, the fact you attempted and participated in a coup will probably get you killed during the fighting or afterwards in an execution chamber independently of the ideology behind it.

Forcing someone to undergo some medical treatment against their will.

Weirdly enough, not illegal. However, if the said content explicitly states that characters are beyond the age of consent may land some civil service and a week or two of arrest.

Temporary monitoring of their internet activity, if it doesn't go anywhere leave them be, if it does, they pay a fine.

Either a sizeable fine or a short prison sentence for breaching the peace; that is, if no one is injured as a result.

Edit: a prison sentence of no more than ten years.
