So they have been insulting me all the time and you don't see, now I only point them out and it's somehow an "insult"?

It's just a joke, it's meant to be fun, but you act like a child and thinks it's equivalent to death threats.

Come on, SE! You've gotta have a sense of humour!

The user constantly tries to push a long-dead meme about someone else's language that nobody else understands.

Sounds nearly like the memes about Selanese langua- *shot*
