After a decade of civil war; the old, and strong dragon of Kanno-iji will finally lay down its arms and rest after ruling the isles for hundreds of years and pass down the throne to the Tiger for it to become the next ruler of the Kanno-iji islands. For the White Lotus had continuously bloomed in the past when a new ruler ascended the throne, it will bloom again for the Great Tiger.

Free Jeililand is a strong, patriotic society of settlers exiled from a failed state that didn't respect the citizen's right to refuse to participate in a chaotic, uncontrolled, and vile society.

That's why the federal police force control everything instead of the government. How orderly and well kept!

LOTS OF WHEELS. Old Victorian era horse carriages. Very old and meta.

Soldiers everywhere. Under the sofa, in the closet, sitting in the backseat as one drives to the grocery, looking over one's shoulder when one is trying to do homework. Lots of stars. Angry British lion.
