AN: Oh god no. Clothing is forbidden and there's conscription.

Hold up, soldiers have no armour then.

Anyway, no.

Whenever I see Astoria here I usually say no, but I do think I'd retire there.

Why would we do that? They'd eat us mussels!

Imagine a mussel uprising happening in a coastal city that quickly takes over all of its Metropolitan area. That's basically Mejillonia in a nutshell.  
In case you don't know, this is indeed FSS.

Most likely not

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

No thanks, I'm not terribly fond of religious fundamentalism.

(Also, I don't speak French.)

My answer would be no, I don't exactly like the idea of living in a cramped hotel or apartment complex.

I like the idea of exploring space, but hate bugs. Maybe its like in Ender's Game though.

I'd say yes

I personally use NS stats. The stats and policies more so reflect my political views than they do my personal beliefs.
