Matisyahu – Sunshine

Reggae seems to be the only music that effectively pulls me out of a funk...

Matisyahu – Shine on You

Finally relistened to this album. Enjoyed it more than I did the first time (though my rating is still about the same...). 8.5/10

I just passed out with mine earlier. I was super tired. And it was hot. And I think the mix was making me even more tired, because when the heat first arrives, it makes me tired, and making me grumpy at the same time.

Grave Digger - Clash of the Gods

One of the few cases where title track is actually the worst one of the album.
