Nothing in the factbooks gives much of an opinion either way. Going by stats, it looks kind of horrible, so no.

I agree with many of their policies. But human sacrifice and an AI run economy? No. I'd visit if I could, but would not live there.

Eh... maybe? Not my first choice, but I'd place it quite far above average on the "not an absolute shithole" scale.

Dictator-backed dedication to absolute civil freedoms, ultrabureaucratic pseudo-socialism and heavily-armed neutrality. Fueled by PMT*/FanT nanopunk schizotech, eldritch red tape and snazzy neo-cold war aesthetics on a broken continent.

Factbooks are currently in the middle of a Big™ Rewrite™, almost everything's out of date and ugly. Don't read them.

Yes, I like having a lot of freedom. And, the advanced technology is a huge plus for me.

Republic of Confederate American States and Syndicates

No, it is not the Confederate States of America. No, it's not the South either. SU stands for 'States and Unions'. The right acronym is RCAS. Please read the Factbook.

Doom would condescend to live in a nation such as this. Within a year's time, it's people would gladly embrace the rule of Doom.
