If you go on F7 you *will* know them

Ex-Nation

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

I'd say they're somewhat well known since I've seen them a couple times

#### Imperial States of Duotona

*Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!*

Nation reflects OOC views. NS stats are sent to the shadow realm.
