It's very interesting that you have a green party as the most right-wing party in your nation, I like that you have newspapers for all of them too; I would go with the Libertarian Party (I wish I wasn't reminded of the US' one when I hear that) and after that the Left-Greens and then it's a toss up between L&L and the Soc-Dems. Nordic Model is another association for me, I always think of it in regards to prostitution - I'm assuming in this case its not 😊

I'm pretty sure I've picked from yours before, so to not be redundant
