For IC flag: something like Warsaw Pact, but much more pacifist.

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

I generally use NSSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.

I see a stylish, communist flag that I honestly prefer over the classic red and gold design with the sickle and hammer. It reminds me of the Empire of Saxony from Iron Harvest and well.. the Soviet Union.

Thiers flags kinda like Mozambique's (but less militant due to lack the kalashnikov and communist star)
