Man, that [New San Andreas Republic](#) guy sure is a swell fella. I'd love to be a [puppet](#) of him any day. He must control a bunch of nations that are similar to me, like my [friends](#) [NSAR Baja Territories](#) and [Caligulas Legion](#). Yes sir, I respect him a great deal.

Just to clarify, this nation is NOT post-apocalyptic: the Great War that caused the s*ithole of the [New San Andreas Republic](#) to exist hasn't happened yet!

QUOTE

Some kind of generic futurist government made for the plot of some random Japanese video game.

The Abandoned Coca-Cola Headquarters in Atlanta, GA
After yet another generic zombie apocalypse broke out and overwhelmed the world, a group of Atlanta survivors found salvation and safe-haven in the old headquarters of the **Coca-Cola Company**. From there, they've created a **rudimentary small-scale society**, based on **barter, Coke consumption and firearms**. **Baking in the hot Georgia sun**, and their only respite and refreshment being various flavors of carbonated cola, they've also gone **slightly insane**. **React accordingly**.
