Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

My Venetian Snares playlist now has 138 songs on it...

Aphex Twin has 135...Jesus those both added up.

Venetian Snares has a ton of stuff not on Spotify, though.

Swans-Lunacy

Going to go on a Swans marathon for now (I still have other Neurosis to go through, but eh), but first, listening to this album again for the first time in a while.

Nope, not one of my playlists at all...

Let us not seek the Republican answer or the Democratic answer, but the right answer. Let us not seek to fix the blame for the past. Let us accept our own responsibility for the future. - John F. Kennedy
You either die a hero or live long enough to see yourself become the villain. The best argument against democracy is a five-minute conversation with the average voter.
