DJ Khaled - Blackball (feat. Future, Plies and Ace Hood).

I'm listening to his whole album. I like it.

Phobia - *Bleed To The End*

CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

A British journalist speaking about the truth about Libya, the criminalisation of Libya's government, as well as how people actually supported their government in truth, as well as the controversies behind the claims against Comrade Qadhafi

The Arab People's Republic of Souriya Al-Assad | SAA&Co defending Syria against FSA&Co

Allah, Souriya, Bashar w bas! - [EPIC](#)

Show Spoiler

The first part of the document discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

The second part of the document focuses on the importance of regular financial reviews and analysis. It highlights the need to monitor cash flow, profitability, and overall financial performance on a regular basis. This involves comparing actual results against budgeted figures and identifying any variances that may require attention.

The third part of the document discusses the importance of maintaining accurate financial statements, including the balance sheet, income statement, and cash flow statement. It emphasizes the need for transparency and accuracy in these statements, as they provide a clear picture of the company's financial health and position.

The fourth part of the document focuses on the importance of effective budgeting and financial planning. It highlights the need to develop a realistic budget that takes into account all expected revenues and expenses, and to regularly review and adjust the budget as needed to ensure that the company is on track to meet its financial goals.

The fifth part of the document discusses the importance of maintaining accurate records of all assets and liabilities, including property, equipment, and debt. It emphasizes the need for a thorough and accurate inventory of all assets, and for a clear understanding of all liabilities, to ensure that the company's financial position is accurately reflected in its financial statements.

The sixth part of the document focuses on the importance of effective financial reporting and communication. It highlights the need to provide clear and concise financial reports to management and stakeholders, and to ensure that all financial data is properly documented and organized for easy access and review.

The seventh part of the document discusses the importance of maintaining accurate records of all taxes and other legal obligations. It emphasizes the need for a thorough understanding of all applicable tax laws and regulations, and for a systematic approach to tracking and reporting all tax-related information.

The eighth part of the document focuses on the importance of effective financial risk management. It highlights the need to identify and assess all potential financial risks, and to develop and implement effective strategies to mitigate these risks and protect the company's financial interests.

The ninth part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The tenth part of the document focuses on the importance of effective financial planning and forecasting. It highlights the need to develop a realistic financial plan that takes into account all expected revenues and expenses, and to regularly review and adjust the plan as needed to ensure that the company is on track to meet its financial goals.

The eleventh part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The twelfth part of the document focuses on the importance of effective financial reporting and communication. It highlights the need to provide clear and concise financial reports to management and stakeholders, and to ensure that all financial data is properly documented and organized for easy access and review.

The thirteenth part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The fourteenth part of the document focuses on the importance of effective financial planning and forecasting. It highlights the need to develop a realistic financial plan that takes into account all expected revenues and expenses, and to regularly review and adjust the plan as needed to ensure that the company is on track to meet its financial goals.

The fifteenth part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The sixteenth part of the document focuses on the importance of effective financial reporting and communication. It highlights the need to provide clear and concise financial reports to management and stakeholders, and to ensure that all financial data is properly documented and organized for easy access and review.

The seventeenth part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The eighteenth part of the document focuses on the importance of effective financial planning and forecasting. It highlights the need to develop a realistic financial plan that takes into account all expected revenues and expenses, and to regularly review and adjust the plan as needed to ensure that the company is on track to meet its financial goals.

The nineteenth part of the document discusses the importance of maintaining accurate records of all financial transactions and activities. It emphasizes the need for a thorough and accurate record-keeping system, and for a clear understanding of all financial data, to ensure that the company's financial position is accurately reflected in its financial statements.

The twentieth part of the document focuses on the importance of effective financial reporting and communication. It highlights the need to provide clear and concise financial reports to management and stakeholders, and to ensure that all financial data is properly documented and organized for easy access and review.

Captain Beefheart and the Magic Band - Hair Pie: Bake 1

What do you think?

Sounds good.

It's a bush recording. We're recording a bush. Name of the composition is "Me, Neon Meate Dream of a Octafish".

Hum, uhm.

No! It's Hair Pie!
