Storm Corrosion-Storm Corrosion

I love this song. This is a collaboration with the singer and I think mastermind of Opeth and Steven Wilson, the mastermind of Porcupine Tree's album, and it is rather unique, and mellow in parts (like this song). Don't think I've heard any progressive rock like it before.

I'll respond to your telegram tomorrow, Luveria. I'm kind of winding down tonight so I'm not really doing much.
