Monkey 4091 was an anti-vaxxer and refused to vaccinate her son, Monkey 4090. Sadly, Monkey 4090 died from polio. At least he didn't contract autism.

Monkey 5803 was slowly chewed on by wild dogs and then had his remaining limbs individually burnt off and then was skinned alive and was forced to witness his skin being made into a handbag. Then he was disemboweled and was fed his own intestines before having his heart slowly ripped out.

Monkey 4080, after doing the math, found out that the two two-digit numbers making up his ID number, 40 and 80, were both multiples of 40. Shortly afterwards, he was ambushed and gunned down by forty thieves and gangsters.
