Monkey 2385 couldn't handle the burden of having fired the kill shot and drank himself to death.

Jebslund is a nation of kerbals ruled by Emperor Jebediah Kerman. We reject tyranny, believing that rights should be protected, though we also believe said rights end where the rights of others begin.
Shockingly, we *do* use NS stats, with the exception of lifespan.

Monkey 2375 was just sick of ninjas and people posting monkeys not actually dying, so he reaped all the not-dead monkeys before him and got the chair for his multiple homicides before he could start on the monkeys after him.

Baloo Kingdom wrote:
