Long live the King? Queen?

"I've always been leery of the United Nations. The very concept is comically dichotomous. Nations putting their self-interests aside in the hopes of building a global community, holding hands and Kumbaya? I mean, honestly, it's like kindergarten. Do you have rug time? I did love rug time."

somewhere else in the universe. The formerly wartorn nation keeps a facade of

normalcy and order while enjoying the societal and cultural decadence that marks the new Roaring Twenties. The paranoid authoritarian government tries its best to uphold order in the face of uncertainty, while its people want nothing more than a breathing space.
