One second without the NS Fourm. I am crying, convulsing in my seat. Shaking down to my bones as the fourm reads "Sorry but the board is temporarily unavailable, please try again in a few minutes." I feel shattered, betrayed. And honestly flabbergasted. I simply cannot handle this amount of pain. My eyes are going to the back of my skull and the voices in my head are getting worse. I can only hope this gets resolved extremely soon. They are taking over.
