The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

December 1941, the newly formed 14 Districts of America sits isolationist... except for one nation. The Japanese Empire, the Districts (especially 12,13,and 14) don't like Japan's imperialism. Even while they turn a blind eye to the Germans' aggression.
