CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The Doors - Riders on the Storm. After listening to that deep house remix, I decided to listen to the original. It is indeed a chill, relaxing tune. *There's a killer on the road; his brain is squirming like a toad; take a long holiday; let your children play...*

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
