Ah, yes. A similar statement of forgetting who your enemies were was famously made by President Salvo Alzheimer, of the uhh.... oh dammit, what country was it again?

*Wow! Would be a shame if I controlled a few puppet nations as well. Like American Collectivism. Still can't find a way to depose him and his tyrannical antics 🤨*

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

A brave one, I see now to be honest that's far more better than the rest of the blokes here who hide their true intentions

☐ **THE SACRED UNION OF AGARTHA** ☐ "*One cannot serve God and be enslaved to mammon!*" - Matthew 6:24

Escaping from the idolatry and soul-crushing societies of the so-called 'Die Freie Welt'. Those who still carry on the lord's work found refuge in the subterranean ancient realm of Agartha. Despite the offer- No, temptations by so-called demi-gods about helping him liberate the surface. Cardinal Ferro only intends to hold his ground and turn Agartha into a bastion of Christ. [REDACTED]

I like making factbooks, but I get what you're saying. I incorporate most stats as canon because I have fairly high rankings in them.

Mindful of a veteran's plot to utilize Agartha's tech to wipe the sinners from the face of the Earth. The Bishop prays it never has to come down to that.

Yes, I agree with the Bishop. Even though I am not a Christian at all, just...doing that would probably cause an extremely large crisis.

I mean, nothing wrong with that. None of us should tell you to stop having fun if you're having fun.

Though, maybe the frequency is too high? I don't mean this in a rude way, but I feel like a lot of times I've notice a thread gets a new reply and it's more than often you. I feel like people are going to have less and less to say about your nation if they're only replying to you, you know?

Yeah, I agree. There are some threads I avoid just because they're not interesting but I do post too much in the others one. I'll try to tone down the frequency a bit and focus on the ones that can be updated frequently (e.g. factbooks/sig/news threads).
