Life in prison without parole or death by hanging if done by a civilian, life in prison or death by the firing squad if by a military officer.

Transporting illegal narcotics across the country while not knowing that you have them (like a blind courier service, for example)

Not a crime

The transport vehicle with the narcotic is seized for investigations. If you refuse to cooperate with investigators, you get fined \$6

Ninja'd

1/8th of the penalty that would have been applied if no self-defence was considered at all (eg 25 years for a murder would become 3 years 1.5 months for an unnecessary but self-defence killing)
