Not only do women and non-white people lack the right to vote or be considered equal to white men, the state pretty much ethnically cleansed them to Liberia when they protested the regime's Apartheid in the 60s.

I was writing one for Great Intergalactic Empire before Free Ravensburg ninja'd me, but since they are big on low-effort responses, I'm not going to skip my previous response for Great Intergalactic Empire.

For Great Intergalactic Empire:

One of their Factbooks is about how cute, attractive and awesome their Empress Alicia is. Also, Alicia is also bisexual/lesbian, so very hot... right?

Another of their Factbooks is simply apologia for their hot and beloved Empress Alicia. "Is Alicia a tyrant/dictator? Okay, but you've got to realize how bad is it here in Intergalactic Empire. She's not so bad if you compare her to previous leaders!"

Okay, I get it, Alicia is progressive, tolerable and nice! Proof of this is how she legalized homosexuality since she's bisexual/lesbian. Yay! Very progressive! Let's just ignore the fact that she's "pro-racial segregation" and "pro-imperialism". Yay! She's a cute hot attractive lesbian/bisexual Empress, what's there not to like?

To Free Ravensburg:

Their Factbooks are just as low-effort as their F7 responses, so what I learned was that they are big on Godmodding, and it's just a Ravensburg and flying pizza saucers, whatever it is.

A Marxist-Leninist socialist revolution, led by the Scarlet Sisters, happens in Gensokyo! Now, what's next? How will the Spellcard Rules and the relationship between the youkais and the humans change under a Marxist paradigm? How will the need to gather faith be reconciled with Marxist dialectical materialism? And will Marisa and Reimu again come and rescue the day? Will this simply be hushed up as another "Incident", or a permanent change for Gensokyo?

Haha, I get it. Although I've never intended to highlight any of her features I just like the art (As a woman myself) and my "apologia" was more to highlight a common misunderstanding that Alicia was some new horrid tyrant. I admit she is a tyrant but culturally it's not irregular. I've never been shy about her tyranny and planned to release a new factbook regarding ahem genocide. My defences are more so cleaning up misunderstandings regarding culture, some of which I'm yet to provide a dispatch for.

Imperial Majapahit just doesn't produce a lot of that gunky black stuff, another type of oil that they export is palm oil, though it has more domestic appliances. They boast the production of no less than 50% of the world's palm oil, consisting of 32 million tons of it produced and processed in a highly modernized production system slowed only by carbon-emission regulations.
