4.5/10, it *reminds me* of a certain someone but until I can prove it the rating won't go higher than this for now.

Brandishing a gun in the flag makes me suspicious of their diplomacy.

4/10, pretty inoffensive, but it has some Central Asian dictatorship vibes. And you know how that goes...

Tbh the flag is quite neutral, so I'd say something around 3/10.

8/10. Between the eagle, solid black background, and what looks to be a river of blood on the bottom, I'd say they're not the friendliest. Loses a couple points for the grain though.

9.5/10. Having the red on top of the flag usually signals a state of war for most nations. The black doesn't help either.

3/10, just your typical Ukraine. But this modification makes it look a bit more... sinister and junta-y.

Depends on the time period....in medieval times it might be normal but now it looks shady.
