Nope.

Palmyrion?

This is a post-apocalyptic Kansas, divided up between rival factions, so expect different IC responses at times, depending on which faction is responding to you.

The two major power centers are in Topeka and Wichita, of course, though there are other, smaller ones. The folks in Topeka answer to the local warlord Russell Rao, and no, he's not a nice guy. There's...another faction in Wichita, I'll just say that for now. Think of it that way. They got religion, but it ain't your grandfather's religion.

Hello, everyone, I am online again....

Xerxias?

Quel est la réalité? Mon souffle, tellement mécanique!

A grey rain falls on Revachol. The city soaks in it, cold and dripping. Waves hit the concrete breakers. The homeless huddle by the fires behind the fences. There, among the shacks, is your home. Stay. Have a drink. This is somewhere to be. This is all you have, but it's still something. Streets and sodium lights. The sky, the world. You're still alive.
