DD-579
U.S.S. WILLIAM D. PORTER
1943-1945

The "Willie Dee" was a *Fletcher*-class destroyer built for the United States Navy during World War II. Her three-year career was plagued with a series of hilariously unfortunate events, earning her a reputation as one of the unluckiest warships in naval history. She earned four battle stars for her service in World War II.
