Delivery companies struggle with "extreme parcel load"

Wonder what this extreme parcel load is from, winter holidays I suppose.

BN: Tropical climate, 20 degrees north of the equator. \*checks BN's sig\*

Antimohammedanism not covered under federal hate speech laws, a court in Texas decides.

## Classic Texas

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.
