This nation is not affiliated with The New Order: Last Days of Europe or its incarnation of Burgundy.

10/10 it's sus!!!

Kidding, would rate it 6/10, since, while it is a rather simple character, it does look a bit threatening.

It looks like a mercenary or private paramilitary group, so I'd class it 07/10 at least.

The island of the Galapagos and the main power of South America controlling the West of South America. Militaristic and authoritarian with a troubled past and an uncertain future with stability at an all time low due to a lost war and unpopular occupiers.
