"Rollin" - Gyptian

It's outside of my usual genre preferences, but I actually think it's a catchy song. I have quite a wide array of genres I listen to Metal, Rap/Hip-hop, Rock, Dubstep, Reggaeton, R&B....etc..

"Du liebst mich nicht" - Sabrina Setlur

I got nothing against you liking whatever you like :) I'm the same way. I like something from every genre out there, really. At least of the ones I know...

It is catchy but..... everytime I see her I think of (shivers)..... Justin Bieber..... But she's hot so.....that makes the song more tolerable for me ☐

"Buffalo Soldier" - Bob Marley

Catchy doesn't always=good in my opinion. Some of the songs I hate the most are catchy, like the Fun. song "We Are Young". I hate that song BECAUSE it's so damn catchy and the song sucks.

AND HOT DOES NOT MEAN YOU SHOULD LISTEN TO THE MUSIC! ☐
Music is about the music, not the people in it. That's part of what I thinks wrong with the music industry these days. People like Justin Bieber are popular because all the girls drool over him, and they suddenly love his music because of it. Not all of the fans, obviously, but I wouldn't be surprised if a large chunk of them all. I really find it annoying these artists who are popular for their 'sex appeal', and not for their real talent (which is usually non-existent in my opinion anyway). It's just...bah.

Even though I don't like it, I find it more 'tolerable' over some of that shitty pop music out there. It at least seems to be....trying for something different? That doesn't mean I like it though.

I think it's just another very generic 10's pop song with a different model slapped on the cover actually. Nothing different about it.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
