Indeed, King Park is probably my favorite song by them. I'm pretty much in love with it.

La Dispute - Objects In Space

But right now I'm addicted to their new album

Hello, I haven't been active in a long while, looking to come back and see how things are with the community.

Music: Rap (mostly trap), Metal/Rock

Previously active around 2014-2016

The New Age Empire is a revival of The Helghast Empire, in an alternative universe where Mael Radece survived the destruction of Helghan.

Show Spoiler

My personal beliefs are not that of the character I am with this account, above are my 8values results.
