AN: Independent State Party.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

We would cast our vote for the SDP; in particular, it is the Labour Coalition within the SDP that we would support, as that faction's pro-union policies align closely with our nation's present political leaning. However, where social policy is concerned, we align more closely with the New Democrats faction.

We would not vote for any of the parties in Hellatha, as Nagakawa does not endorse the institution of single-party dominance.

AN: New Liberals of the Liberal Party, or the Democratic Action Party if the Hayashi faction have too much power in the Liberal Party. Would consider the Republican Party if they dropped the social corporatism.

Christian Social Union

I must say, I love your factbook about, very detailed and intricate!

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: <viewtopic.php?f=4&t=482842&Start=1>

Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)

An alt-history Poland where the Jaczynski brothers and Law and Justice don't ever get into government and turn the country into an anocracy.
