CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Aviators - *Fading Light (SoulSong Version)*

Fantasy-esque feel to it. I've had it on repeat for the past two days.

To be perfectly honest, I am not good at understanding politics. Most of my knowledge comes from the news, my parents, my history course, and Wikipedia. So if you read my factbooks and I look like a complete fool with no idea what they're doing, it's probably because I *am* a fool with no idea what they're doing. I do hope it's not too unbearable.
