Upon removing the brainwashing, Man ends up waking up in the Matrix.

He begins training to dodge bullets, but fails and takes thirty-seven shots to the torso.

Does he survive? He dies? You decide!

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.
