Free Kathen does not necessarily represent my personal views. NS stats eaten by bears after threatening a prophet. Language used is Akkadian/Babylonian.

| **THE DOMINION OF EJYAFJALLA** • "In one, two, three. We'll put them out of their misery!"

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.
