08/10.

Versiukās Noraudaystē :: "Vēlas is my glory"

Beyond Europa's shores, there layeth an unholy land, shunned by God, tainted by blood, where liberty is alien. Under the watchful eyes of its twisted gods, Versilia marches forward, for the kindred, for the Nation.

That's a solid eight out of ten right there.

A world in which the Third Reich conquered the Soviets, lost Berlin, and are dependent upon an arsenal of primitive nuclear ICBMs to survive.

3/10

The Marxist-Bookchin-Hoxhaist Secular Socialist Minarcho-Sultanate of Kyrgyzjakistan

An atheist isolationist nation made up of the former soviet SFSRs of Kyrgyzstan and Tajikistan, under Bookchin-Hoxhaist thought, that had a great influx of immigrants from nearby Afghanistan, China, Kazakhstan, Russia and Uzbekistan, that is ruled by a socialist night-watchman state and a semi-constitutional secular sultanate.

7/10 looks like a star wars flag, very evil

Antarcticanie, a small society based in coastal Antarctica. Anarcho-primivist on the individual level, with the state taking what is necessary for the continual function of society. Run by a bunch of college dropouts with undergraduate degrees in Gender Theory and Economics.

OOC INFO:

Pro: Trump, pacificism (kind of), Ukraine, America, police (I'm not a bootlicker I swear), John Doyle, capitalism
Anti: Biden, forever wars, liberalism/marxism, libertarianism, BLM, globalism, cringe Vaush and Destiny (not gamer)
Note: Antarcticanie does not represent my political views. I just thought it would be funny if Antarctica was anprim, then got really into it.

2/10

***This is cult of personality, the day that you will be free is the day you'll never see,
What you do is my will what I want you all to be, my obedient tools in the hands of me.***

***Live inside my world no wrong or no right, only me and me alone whose statue burns bright,
I tell you what to do and I want you to fight, disobey MY words and you FACE MY MIGHT.***
