This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Obama  
Mr. Lif

"what I believe is like a box, and we're taking the energy of our thinking and putting into a box of beliefs, pretending that we're thinking...I've gone through most of my life not believing anything. Either I know or I don't know, or I think."  
- John Trudell

Gun control is, and always has been, a tool of white supremacy.
