Zeniforzese Liberation Army denies any responsibility in shooting down

That phrase is pretty much a cliché at this point.

Highly democratic and freedom-loving population, what if Mongolia and Japan had a child who also has an Indian driving instructor, increasing tensions between Market Socialists and Maoists, eats the aeugh fish, pets the aeugh fish, Aruday metro train doors have a tendency to amputate riders

Brazilian Cybernetics Division Releases First Iteration of Super Soldiers

this innovation will make it possible to bring more people to brazil than ever before

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, slavery and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by countless loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. Aiming to take revenge on the Republic for its exile centuries ago, the Sith Empire will stop at nothing to become the greatest power in the galaxy.

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly.
In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move.
