Big Black - The Model

This album is fucking awesome.

I wonder... are Albini's other bands any good?

In other words — and this is the rock solid principle on which the whole of the

Corporation's Galaxy-wide success is founded — their fundamental design flaws are completely hidden by their superficial design flaws.

I like Rapeman, not too familiar with Shellac. I like Big Black more than Rapeman, though.

"The Real Folk Blues (Ending Theme)" from Cowboy Bebop.

Such brilliance.

I know that song by heart, and I didn't even try.

good taste

atomizer > songs about fucking > shellac > rapeman

All good bands but BB are Top Percentage. If you want more stuff that sounds like that, Unsane are slightly more 'metal' but have the same feel, Blacklisters are like a 21st century Big Black.

It Goes On, The Psychedelic Furs.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
