Monkey 590 was told that tomatoes were good food. They ate the stems and died.

Exactly 4 monkeys sat in a row.

"I will see no evil", said the first one, covering his eyes properly.

"I will hear no evil" said the second one, covering his ears properly.

"..." said the third one, and wrote down "I will say no evil"

"I do no evil", said the forth one, "but exactly one person involved in this story does - he lies." The fourth one took a pistol, which was placed next to him and shot down monkey 587 for an obvious lie, who was sitting in the row.

Which one of the five persons involved in this story lied?

Monkey 576 survived and was sent to the hospital to have surgery: his surgeon  
was monkey 575, who cheated on his medical exams and somehow got a job at  
the hospital.

After 576 died due to inadequate treating, 575 felt so guilty he hung himself.

Monkey 573 ran out of toilet paper at the washroom because 574 hoarded a crap load of toilet paper, he had to sit there helplessly until he starved to death.

Monkey 572 tried to prove the aquatic ape theory, and promptly drowned because it seriously misunderstood what it was about.

**What this thing is:**

A nation obsessed with technology and progress populated by various types of mad and villainous scientists. They're not evil, of course, it's just the aesthetics of it. Well, some of them aren't scientists either - those less academically talented generally find their calling assisting their ~~master~~ employer with their scientific endeavours (hump or other physical deformity not mandatory).

monkey 847 was reanimated from their grave by monkey 568, 847 then proceeded to bit 567, 566, 564, 561, and 533, turning them all into zombies to one up the former 917, who wanted to one up the former zombie 10000. Monkey 847 and then was then shot to death by a firing squad of monkeys.

565, 562, 560, and 563 were all shot by 651, a zombie hunter. He then realized 560 was not a zombie and just an innocent monkey, and ended his life because he broke his code of not killing innocents.
