From now on I will be post FAR LESS in WAYLT threads. I saw a dream about it and I think it was a sign, to some extent.

What was your dream about? And why do you think it's a sign?

In the dream I posted some extremely risque goregrind song into WAYLT thread, page 33. Mod got mad and locked the thread. I apologized him and asked if the thread could be unlocked/restarted. The answer was "We are not too eager to unlock it because it's more

or less just spamming all the songs one after other."

And that's where I kinda agree. This is more or less just spam fest.
That's why I've tried to say at least something instead of just
throwing songs after songs.

w/ Lyrics

Wait till i see
something brand new
leave me alone
till friday

and we find a spoiler
in the city
and we find a spoiler
in the countryside

when its time
its time to freak out
and the time
hasnt come yet

maybe ill come
maybe ill come
maybe ill come
tomorrow night

and we find a spoiler
in the city

and we find a spoiler
in the countryside

Mods don't seem to mind this kind of spam fest, or I think this thread would have been history ages ago ☐. And, well, the mods kinda run TET, and that's certainly a spam thread...

TET is much more deserving of a complete shut down than WAYLT. ☐

Pharoahe Monch - Loosing My Mind
*"A clock without a minute hand
An hourglass without sand
Suspended within space and time
I walk a thin line

But my decision still stands, I won't be spamming too much into these threads anymore, I go spam other threads instead ☐

I have an affinity for the early nineties. If they ever sold a box set of Clarissa Explains It All I'd be all over that noise.
