A republic.

The Kingdom of Tetchland

An almost-absolute Catholic monarchy that seceded from Sweden during the Reformation. It's something of a Western Hong Kong (pre-2019), being a small, densely-populated urban region that enjoys wide economic freedoms, modern amenities, and wealth, but holds a strong dedication to tradition with regards to religion, military, and national pride. It's on a small, fictional archipelago halfway between Sweden and Poland.

Some sort of autocratic government

In today's news in Totkeel

- Supreme Chancellor Olson Deneven II has returned from his two day hiatus after the conviction and execution of his son, his mental state is unknown, as our reporters were almost killed by his guards when they attempted to ask.
- Rodney Deneven, the stand-in for Supreme Chancellor Olson Deneven II while he was on temporary leave who contracted COVID-19 yesterday, is reportedly in critical condition.
- Cortonoia FC defeated Jatanavia FC today and has clinched fourth place today with their now 69 points to Jatanavia's 61.
